***AN ACT ESTABLISHING A GREEN JOBS CAREER LADDER.***

Be it enacted by the Senate and House of Representatives in General  
Assembly convened:

- 1 That section 10a-55f of the general statutes be amended to require
- 2 the Office of Higher Education, Labor Department, Department of
- 3 Economic and Community Development, Department of Energy and
- 4 Environmental Protection, Department of Social Services, regional
- 5 workforce development boards and employers to, jointly, establish a
- 6 career ladder for jobs in the green technology industry, including, but
- 7 not limited to, (1) a listing of (A) entry level jobs for high school
- 8 graduates, (B) midlevel careers for graduates with an associate degree,
- 9 postsecondary vocational training or apprenticeship training, and (C)
- 10 high-level careers for graduates with a bachelor's degree or graduate
- 11 or professional degree, (2) an estimate of salaries for such careers, and
- 12 (3) a listing of available jobs in the state for such careers.

***Statement of Purpose:***

To link employers in the green technology industry with institutions  
for higher education to increase job opportunities, improve energy  
efficiency and reduce energy costs.
